We will learn how to use our smart phones, lenses, apps and software as well as an array of gadgets and techniques to turn garden portraits into works of art.

October Birth Flower

According to Horticulture and Conservation Co-Chairs Pat and Peggy Kircher, Marigolds symbolize undying love and represent October birthdays. These pungent-smelling flowers can also mean "I'm thinking of you" or even indicate sadness and sympathy.

PLGC Expo and Fall Plant Sale

Congratulations to Us! Under Debbie Darr's Leadership, we had another very successful plant sale last weekend. Thank you to all the members who helped with the planning, set-up, selling, clean-up, and purchasing plants or bulbs. The "Expo" was much more evident at this event than previous ones, with signage, brochures and displays to showcase our many club projects. What a great introduction of our club to our community! Thank you to everyone.
