May Day Field Trip

The bus will begin loading at Millsboro Town Center at 8:00 a.m. and depart when everyone has arrived or 8:30 a.m. , whichever occurs first.

Small groups of attendees will tour 1-2 districts, 3-4 historic districts, or 5+ districts to view the May Baskets at their own pace. Each group will be encouraged to choose a dining venue of their choice, which will help to determine the ending place for their tour. Advance reservations for lunch can be made at [OpenTable.com](https://www.opentable.com). A list of restaurants located within Historic Annapolis was emailed to all attendees who provided their email address.

Anyone who wants to tour the US Naval Academy will have that option, but must make reservations with the USNA two days in advance if they want a riding tour.

May Basket Workshop

Bring your May Basket (already prepared with oasis that has been soaked overnight), flowers, greens, optional accessories, and a bow with streamers to the Community Center at 10:00 a.m. on Tuesday, April 30. Inspire each other, share your flowers, and have a great time working together. Then, take your May Basket Home and place it in front of your home before 1:00 p.m., so photos can be taken that afternoon for posting on our website.

"Ingredients, But No Recipe" - Alva Hutchison of Gardeners by the Sea will conduct a hands-on creative floral design challenge. Everyone will receive the same container, flowers and accessories to create their own unique design. Guaranteed that no two will be alike!
